Put a Focus on Solving Hunger!

Partners for a Hunger-Free Oregon offer project ideas for the 9/11 Day of Service and Remembrance

Oregon is a state rich with agricultural resources, yet it remains one of the hungriest states in the nation. The 9 /11 Day of Service and Remembrance provides a timely opportunity for Oregonians to partner, serve, and engage in many different ways to ensure all Oregonians can access healthy, affordable food in their community.
